

## MY APPROACH

*make complex  
ideas feel  
cinematic*

## PROFILE

22 y.o  
Belgrade, Serbia

## SOFTWARE

# Aleksa Skendzic

**MOTION DESIGNER**  
**AI VIDEO CREATOR**  
**3D ARTIST**

Creative motion designer and 3D artist specialized in motion graphics, AI-assisted video production, and cinematic visual storytelling. Experienced in commercials, branded content, product visuals, and broadcast graphics. I combine design sensitivity with technical execution to turn complex ideas into clear, memorable visuals.

## MY EXPERIENCE

2026

### VZK — AI COMMERCIAL & SOCIAL CAMPAIGN ANIMATIONS

Created a complete AI-driven commercial and collage-style animated visuals for Instagram campaign content.

**VZK**

2026

### VERTT++ — APP PROMOTION

Produced creative promotional visuals for a transport app that combines taxi, metro, and ride-hailing in one platform.

2026

### CARDIOVASCULAR INSTITUTE DEDINJE — 3D REHABILITATION VISUALS

Created 3D animations for rehabilitation exercises and visuals for LED fans.

2025

### AB INBEV — BRANDED MOTION VIDEO

Created a branded video project for AB InBev, combining motion design sensibility with polished visual storytelling.

2025–2026

### TANJUG TV — GRAPHIC DESIGNER

Designed LED graphics, news visuals, broadcast motion graphics, and automation-assisted workflows for daily production.

## EDUCATION
